A large photograph of a man and a woman walking on a beach at sunset. The man is wearing a white t-shirt and shorts, and the woman is wearing a light-colored dress. They are walking towards the right, with the ocean waves breaking on the shore. The sky is a mix of blue and orange, and the water is a deep blue. The couple's reflections are visible in the wet sand.

A setting like no other.

Perfectly nestled between the deep blue waters of the Pacific Ocean and the majestic West Maui Mountains is the newest resort on Kaanapali North Beach. Where everything you love about a traditional Hawaii vacation resort is transformed into a more welcoming experience.

Here, the sea, sun and sky come together in one of the most magical backdrops you could imagine. Discover the difference at Honua Kai Resort & Spa.

Enjoy oceanfront dining at the famed Duke's Beach House. From fresh seafood and premium steaks to Hawaii-influenced cuisine, you'll savor the food as much as the spectacular view.

For something different, 'Aina Gourmet Market is just around the corner. Enjoy 100% Maui coffee, an afternoon panini or refreshing gelato – soothed by gentle West Maui breezes.

Indulge your own culinary impulses in your suite's gourmet kitchen. Or move out to your spacious lanai or any of the on-site barbecues and host your own luau, with a fiery tropical sunset as the backdrop.
