## **Family Adventure Vacations are Something Everyone Can Agree On and Honua Kai Resort & Spa is the Ideal “Home Base” for All the Fun**

**Ka`anapali North Beach, Maui** (November 3, 2012)...With more families opting for adventure travel when planning Maui vacations, it is no wonder that [Honua Kai Resort & Spa](#) has become a destination for adventurers – young and old alike – wanting engaging outdoor activities amid luxury alternative accommodations that meet families’ needs.

Maui’s magic entices the adventurous spirit in all of us, and families have been drawn to the calm beaches and resort family day camps for decades. But families are changing. They look different and act differently. They are stepping off the paved beach path and heading out to find adventure in the untamed mountains, waterfalls and ocean sports available.

There are many land and sea soft adventure activities within a short five minute drive of Honua Kai Resort. *`Aina* (land) activities include hikes, golf, zip lining, ATV outings and horseback riding. *Kai* (ocean) options are snorkeling in Honolua Bay Marine Reserve, parasailing, SUP (stand up paddling) and surfboard lessons, canoe paddling and whale watches.

Traveling families are not just two parents and two children anymore. They can be multigenerational with grandparents in tow, or young adult children traveling with parents. The perfect solution for family accommodations is at Honua Kai Resort. The rooms are generous suites offering spacious separate living and sleeping areas, fully stocked high-end kitchens, full-size washer/dryer units and an expansive lanai that allows the outdoors in with a special folding glass wall.

One thing that hasn’t changed is families are traveling together to create memories. Honua Kai Resort sets the stage for these wonderful experiences to unfold.
