Largest Resort Lanai on Maui at Honua Kai Resort & Spa Proves Bigger is Better

Ka'anapali North Beach, MAUI (March 3, 2011) – Honua Kai Resort & Spa on Maui knows bigger is better when it comes to vacation accommodations and living area. Their Kamehameha Suite's expansive *lanai* is a jaw-dropping 3200 square feet.

The pinnacle in a collection of specialty suites that range from oceanfront end units to ocean view penthouses, the extravagant 3-bedroom Kamehameha Suite is located oceanfront on the 6th floor of Hokulani tower. While the interior measures an impressive 2650 square feet, the 3200-square-foot *lanai* more than doubles the living space of the vacation suite. The 270-degree view from the *lanai* wraps from the West Maui Mountains, islands of Moloka'i and Lana'i, and the Pacific Ocean.

The *lanai* has seating for a large gathering with contemporary teak David Sutherland furnishings and is meant to be used as an extension of the interior with a glass Nana wall system that pockets back opening up the interior suite to the outdoors. Here guests can lounge on one of the three sun beds, whale watch on a chaise lounge, enjoy the sunset in the center seating area, and share dinner under the stars.

The Kamehameha Suite is priced at \$2500 per night, plus taxes and resort fee.
